

What is WOOD BADGE?

In 1911, Baden-Powell took the first steps in training Scouting's adult leaders by organizing a series of lectures for Scouters. He made great strides in the years that followed, culminating in 1919 with the establishment of Wood Badge training. Wood Badge recipients now number more than 100,000 and can be found in all corners of the world.

What Will You Get Out of Wood Badge?

As a result of attending Wood Badge, you will be able to:

- . View Scouting globally, as a family of interrelated, values-based programs that provide age-appropriate activities for youth
- . Recognize the contemporary leadership concepts utilized in corporate America and leading government organizations that are relevant to our values-based movement.
- . Apply the skills you learn from your participation as a member of a successful working team.
- . Revitalize your commitment by sharing in an overall inspirational experience that helps provide Scouting with the leadership it needs to accomplish its mission on an ongoing basis.

How is Wood Badge Presented?

Wood Badge consists of two phases. The first is the practical phase. This consists of two full weekends at camp plus two midweek patrol meetings between the weekends. The second, or application phase, occurs after the weekends and consists of "working your ticket".

Wood Badge Ticket

The primary purpose of the Wood Badge experience is to strengthen Scouting in our units, districts, and local councils. The Wood Badge "ticket" represents your commitment to complete a set of personal goals relating to your Scouting position. These goals will significantly strengthen the program in which you are involved. In addition, the ticket gives you an opportunity to practice and demonstrate a working knowledge of the leadership skills presented during the course. You should complete your Wood Badge ticket no later than 18 months after the course.

Recognition

Upon completion of the Wood Badge ticket, as certified by a ticket counselor and the Scout executive, you will be presented with the Wood Badge certificate, neckerchief, woggle, and beads at an appropriate public ceremony.

Many Scouters consider Wood Badge to be one of the highlights of their Scouting careers. It has served as a source of training and inspiration to thousands. In return, Wood Badge participants have positively affected the lives of millions of America's youth.
